

CHAMBER MEMBERSHIP

— a sound business investment —

What we do

The Chamber exists to enhance and improve the business environment in the Ukiah area; we are the “business voice” of our community. We also track legislative and other developments that affect our local business environment and help to optimize your business potential. Your Chamber membership will thus help promote the economic well-being and quality of life of the entire community.

Why become a member of the Chamber

As a Chamber Member you increase your visibility, receive numerous money-saving opportunities, and help us continue promoting the interests of businesses in the Greater Ukiah area.

Membership is open to any individual or company doing business in the area, including service clubs, nonprofits and retired persons. Membership dues are based on the number of employees your business has, each business has the opportunity to increase to a higher level membership.

How to become a member

To become a member, please complete and return the membership application to our office or email address.

We look forward to welcoming you as a new member of the Greater Ukiah Chamber of Commerce.
